

AS FEATURED IN

Athena Lucene, founder of Universal Heart Coaching, a leading spiritual thought leader with a global clientele and a rare ability to use conscious language to give persons at every level of awakening the framework to open up their next level of spiritual elevation and expanded consciousness through her speaking, writing, and transformational coaching.

As one of the world's most fascinating and fastly blossoming spiritual thought leaders, authors, speakers, and coaches, Athena Lucene has dedicated her career to helping spiritually gifted persons embrace and nurture their extra sensory perceptive abilities while maintaining psychological and emotional balance in their day to day life.

The Approach that sets her apart from other spiritual thought leaders is her genuine down to earth and transparent way of teaching others how to integrate spirituality in their lives by sharing her own personal experiences of her awakening through emotional suffering and trauma so that others have the opportunity to awaken their soulful inner spiritual giftedness without trauma while activating divine abundances through aligned passionate heart centered living.

Maintaining an unwavering focus on her mission to enrich the quality of life for the spiritually inclined and gifted persons everywhere, Athena Lucene is currently working on her forthcoming book while leading hundreds of spiritually gifted persons through her unique energy healing, coaching, and mentorship programs and hosting glamorous transformational events around the world.

Athena Lucene is the former weekly host of Spirituality In the Mix of Life, on Caribbean Voice Radio. She has been a guest on multiple media platforms and has been featured in Speakers Magazine. She also hosts a podcast, "Cosmic Celebrity" where she offers consciousness awakening tips and inspiration for the spiritually gifted. For more information visit www.AthenaLucene.com.
